

A photograph of a sunset over the ocean. The sky is a mix of orange, yellow, and blue. The sun is a bright yellow circle on the horizon. In the foreground, there are palm trees and a dark, silhouetted structure, possibly a fence or railing. The water is dark and reflects the light from the sun.

# Sea Level North Carolina

View of the sea level at Sea Level,  
N.C., Sunset, July 30, 1998.
